EAST AURORA, NEW YORK

THE MANY FACES OF LEARNING

The expression, "Many Faces of Learning," can mean many things to many people. In this record of our high school years, we hope to show some of these faces and their meanings. It is, indeed, here, where we should deal with every aspect of our school's life. As we, the class of 1966 enter into new lives, all over the face of the globe, we will remember these times which have given us hope, direction, and a foundation for all future meaning.

Bruce Bancroft,
Editor

PROLOGUE—is Beginning, for so many who have thought that these years of learning were the end . . . this record is dedicated. This is not the end—this is the beginning—a different beginning—.

"Know Thyself"— This is the key to the task of taking Life and all its problems first-hand. The world and its problems are still with us. They are always the same problems—environment . . . other people . . . mostly ourselves. Nothing changes but the faces.

The school years have given us a patterned series of experiences. Now the pattern changes—we must set our own.

Heretofore, the characters in our literature have shouted Life's lessons. Some of us have heard—some have not. All will hear in the new pattern we shall set. We in these pages are past the Spring of Life . . . The seniors now enter the

Summer season. Hopefully, when the Fall and Winter years arrive, we will have fully opened the door that this institution unlocked for us.

Our lives will hopefully assume the humanistic approach—a record of man's search for the truth—.

Being human beings, we shall find ourselves limited. We can never know the ultimate truths—but in our journey from man's Spring-time Birth to Winter Wisdom, we shall find that one Lifetime requires many faces from every human being. The more sides to an individual the better able he is to give . . . the better able he is to become all he is capable of being.

The lessons have only begun—not ended. We now take off the first of our faces to shortly put on another—

Our search will never end— —.

ALMA MATER

*Alma mater, East Aurora,
We'll always love thy name.
Though fleeting years may come and go,
We will always sing thy fame.
We'll ne'er forget our high school days,
Our friendships firm and true.
Aurora loved by every heart,
We pledge ourselves to you.*

OUR THANKS, MRS. AUSTIN

To Mrs. Mary V. Austin, who, for the last four years, has given countless hours in helping us prepare for our futures. A sincere friend with unending cheerfulness and patience to whom we could always turn for guidance, assurance, and advice. It is with deep and sincere appreciation that we dedicate this AURORAN to you.

ADMINISTRATION

To the Class of 1966:

As graduation approaches, you will be the recipients of congratulations for a job well done.

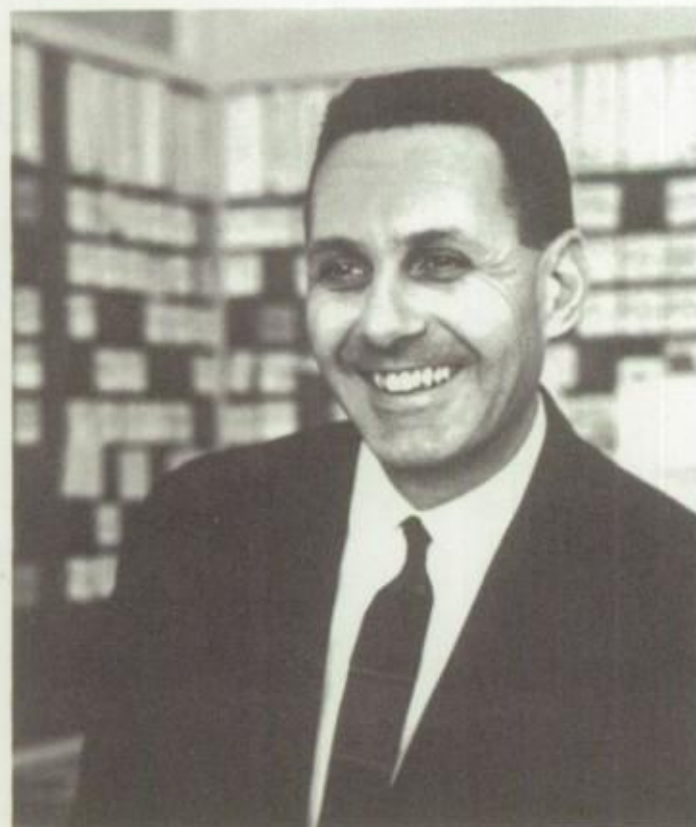

May I add my congratulations for a job well begun. For if there is one lesson, among all the others, that we hope you've learned during your years with us, it is that education must be open-ended and that learning must be continuous. In your careers, you will quickly be made aware of this, but keep in mind that it is equally important if you are to function effectively as citizens of our country. Class of '66, well begun!

William T. Crocoll,
Superintendent of Schools

My sincere congratulations to the Class of 1966 are accompanied by the hope that the smiles on your faces indicate that you feel confident in confronting and successfully adjusting to your future life. Confidence grows with the attainment of faith, health, sincerity, patience and knowledge. These are not all tangible traits, but certainly ones that your teachers and parents have endeavored to pass on to you. Use them wisely and I feel certain that you will succeed in the years to come.

Donald J. Lawson, *Principal*
Sr. High School

The staff of the AURORAN has chosen as its theme, "The Many Faces of Learning". Embodied in this theme is the problem of the endless quest for the meaning of education.

Too often we consider education as merely a means to an end: a job, a place, something material that may be obtained. May I suggest to the graduating class, and for that matter all classes, that education is in and of itself a priceless commodity which enables us to view the ordinary and routine with precision and to derive enjoyment in life beyond our expectations.

Jack B. Ables, *Principal*
Jr. High School

Row One: Mr. David Newcomb, Vice President; Mrs. Howard McCleery; Mrs. Grace Bull; Mr. Morton G. Spooner, President. Row Two: Vernon E. Potter; Manson F. McCormick; John A. Birkland, Jr.; Robert E. Kell; Howard E. Ewell.

BOARD OF EDUCATION

To The Class of 1966!

My congratulations and best wishes to each member of your class.

At last you are about to complete a very important phase of your education, high school. I hope that for most of you this is not the end but merely a pause in your formal education.

In this rapidly changing world where jobs and skills become obsolete apace with progress and acceleration, a liberal education is a must. A job can be abolished, but if you have been educated rather than (just) trained your horizons will be broader and you can adapt to new situations easily.

The attitudes you have acquired—friendliness, tolerance, patience, and more—will stand you in good stead in the life ahead.

H. Lewis McNeil
Director of Pupil Personnel

THE MANY FACES OF LEARNING

We speak in terms of many approaches to education today.

Our young people are grouped . . . tracked . . . separated, and it seems at times, packaged and processed.

Yet, it is to their credit that the students of today have recognized that education, and the world that education is trying to prepare them for, also wears many faces . . . faces of challenge.

The job of our students then, is to anticipate as many of these challenges as possible, and to put on in preparation, the many faces of learning. This means to prepare today and tomorrow . . . this year and the next for the task of learning never ends.

The student of today must always be ready to assume the face of tomorrow.

To each graduate I extend congratulations on the successful completion of the educational program to this point, and best wishes for success in the future.

A. Lancione
Asst. Superintendent for Instruction

"I have but one lamp by which my feet are guided, and that is the lamp of experience. I know no way of judging the future but by the past." — Patrick Henry.

"During the past eighteen years of our lives, we seniors have had many experiences which we use as a guide for our future actions. Approaching the summer we must make it worthwhile by living it to the fullest and experiencing new things. Then the winter of our lives will be fruitful."

Sapagkat itong taon ang pinakamagandang pangyayari sa aking buhay, ako ay nagpapasalamat sa inyong lahat. Kayo ay naging mabait at mapagunauwa, binuksam niyo ang inyong mga puso para sa akin. Dahil dito naging masaya ang buhay ko nito.

Nakagagalak ang mga kasayahan at kasawian ng pagaaral.

Inaasahan kong balang araw magkaroon kayo ng pagkakataon na pumunta sa aking bayan. Kung sakali man ay gusto kong bisitahin niyo ako sa Baguio City.

Sa inyong lahat "Long Live" at "Thank You" "Goodbye" ngunit hindi kailanman,

Joyce T. Rulite

Because this year has been a very wonderful experience, I wish to express my thanks to all. You have been so kind and understanding, having opened your hearts to me and for this I shall ever be grateful.

It has been fun sharing all the joys and sorrows of school life. I shall always treasure these in my heart.

I hope that someday you too will have a chance to see my country. If and when you do come, I would like you to visit me in Baguio City.

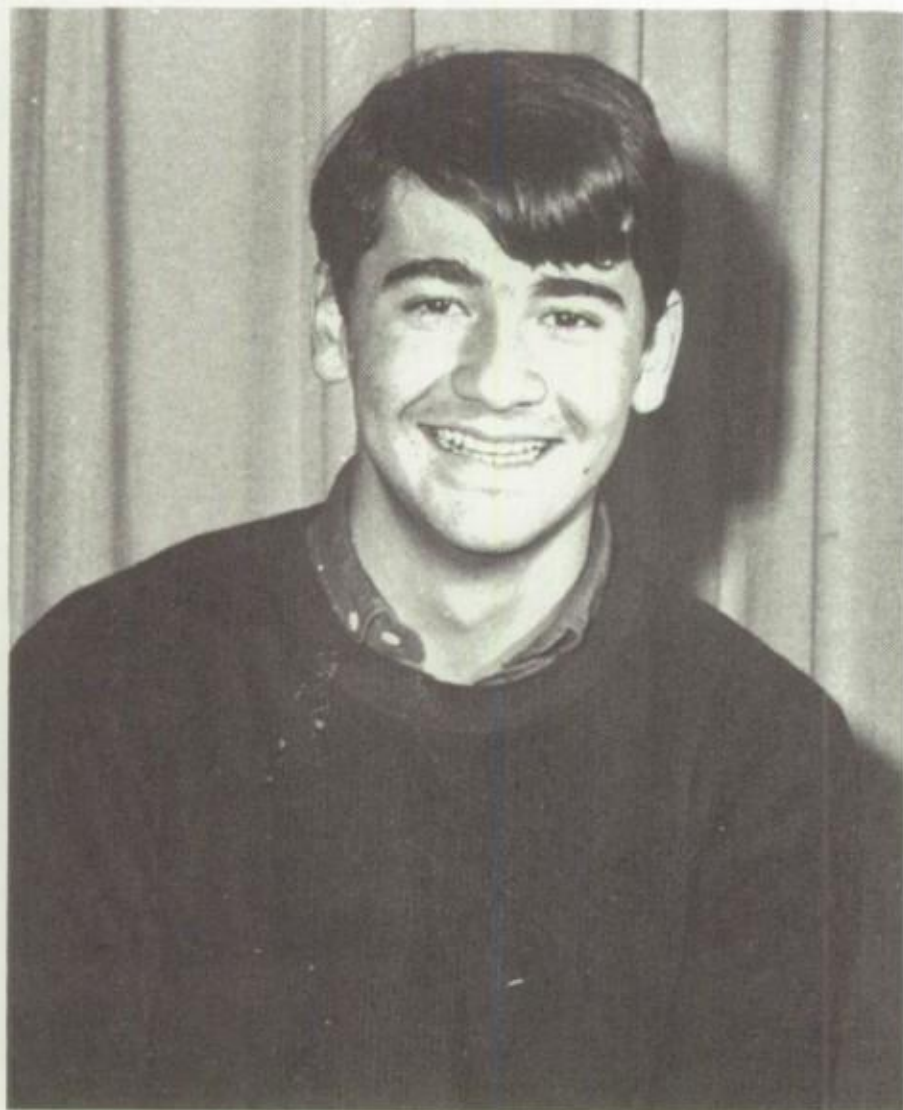

To all I say "Makuhay" and "Salamat"

"Paalam" but not forever,

Joyce T. Rulite

Meus amigos

As quick as I think, the year will pass . . .

In the middle of the summer I'll be gone,

And perhaps, I'll never return again.

I will be just memories in some of your minds

But all of you will be a great memorie

That I'll carry along with me.

Looking back I'll see this year just like it's being:

A dream that had to end.

As quick as I think, the year will pass . . .

But before I go

I'll look at these streets and these trees,

I'll face you all for a little moment,

Pretending that this image will last forever

Or that I'll be gone for just a little while.

But even though far away, I'll still be thinking of you

Wondering why

The year passed as quick as I thought . . .

P.S. Of one thing you can be sure: if you ever go to

Brazil, remember that there will be always one

house you can get in without asking for permission.

That will be my home

Es war ein bedeutungsvolles Erlebnis für mich diese Schule zu besuchen und ich danke Euch allen, dass Ihr mich so freundlich empfangen und in Euren Freundeskreis aufgenommen habt. Dieses Jahr wird mir sicherlich unvergessen in Erinnerung bleiben. Wenn Ihr nach Wien kommen solltet, vergesst nicht bei mir vorbeizuschauen, irgendwo wird sich bestimmt ein Platz finden, und wenn ich unseren Keller für Euch entrümpeln müsste.

It seems to me like yesterday that I lived through the excitement of coming to the United States. Time really has gone fast. I am happy to have had the opportunity to participate in the life of an American High School. This has been a wonderful experience. Thank you for receiving me so graciously and making this an unforgettable year for me. I get a strange sad feeling when I think about having to leave East Aurora and all its nice people in a few weeks, and that probably, I will never have a chance to see them again. But as I return to Austria, I will take with me fond memories of my stay here. Please remember to call on me when you come to Vienna. I would enjoy showing you a bit of my country and my people.

As a Thai girl who came a long long way from home, I'd like to thank all American people whom I've met during this past year. They are so friendly, understanding, and helpful. Since I've been here I've had lots of experience which I'll remember all my life. I've never had such wonderful times like this. I'm so lucky to have a marvelous opportunity to understand the way of life. The way of living in such a big country like United States. Everything is so different from my country. I know that I wouldn't be here if both American Field Service and American people didn't give me a chance and help.

As a Thai girl who represents all people in Thailand, I'd like to say to all Americans that we are proud of being friends with you. We hope that our friendship will stay forever as well as knowledge and understanding.

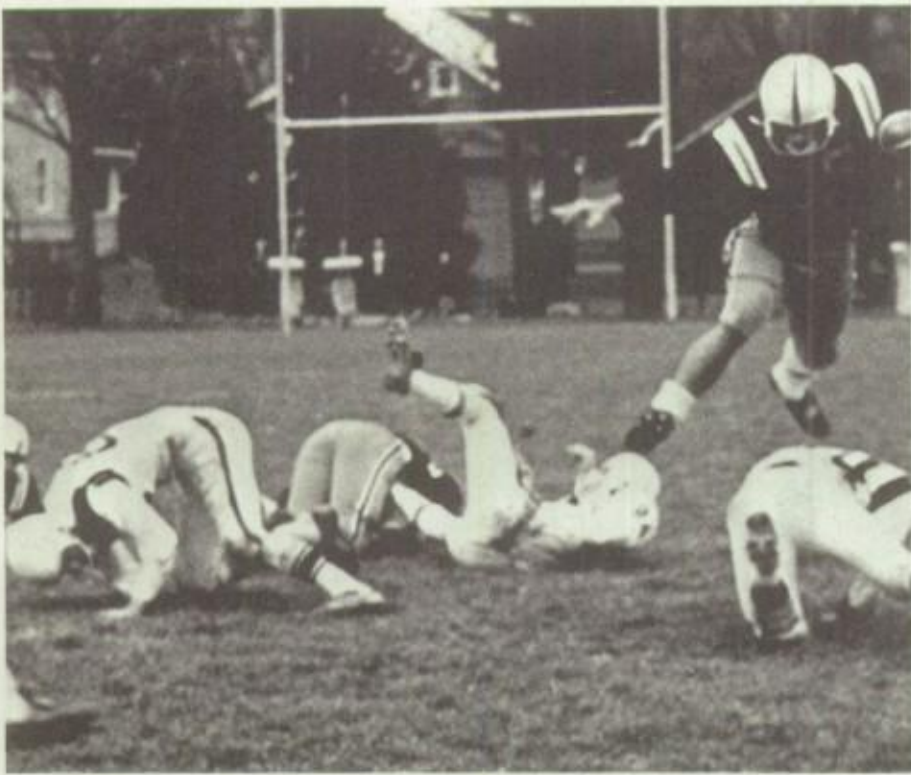

FEATURES AND ACTIVITIES

Learning has more than one face; academic learning is not enough. Leadership, organization, the ability to work with others are all necessary to growth. Through the various non-academic organization and activities offered by the school, students have the opportunity to learn these qualities. "Observation more than books, experience rather than persons, are the prime educators."

— A. B. Alcott

HOMECOMING

The 1965 Homecoming was a great success because of the enthusiastic participation of East Aurora High School students. The car smash Friday evening allowed kids to release their pent-up emotions about the outcome of the next day's game on an old jalopy painted with Orchard Park's colors. Enthusiasm was also displayed at the bonfire and pep rally that same night. Excitement rose as the students led by the cheerleaders yelled loudly for their alma mater, E.A.H.S. After that, everyone was entertained at a lively hootenany presented by local talent.

Kleenex flower parties had been held weeks previous to Homecoming. They had created overcrowded rooms and general pandemonium, but the end result

Homecoming queen, Sue Pitt

1965

was well worth the effort—enough kleenex flowers for Aladdin's Lamp. As one watched this huge golden lantern glide down Main Street, it seemed that a gigantic genie would pop out of the spout to grant a wish.

The wish for the East Aurora Blue Devils to defeat Orchard Park was not granted but spirits were still high at the semi-formal Homecoming Dance Saturday evening. The theme of the "Arabian Nights" was carried out at the dance. The highlight of the evening was the crowning of the Homecoming Queen, Sue Pitt, by the Senior Class President.

Homecoming '65 was an event for the Senior High Students of E.A. to look back on with fond memories and a sense of accomplishment.

JUNIOR PROM

Queen Judy Koch and King Gerry Parrish

"An Evening In Paris", our Junior Prom, was an evening to be remembered. The Rendezvous Cafe and the Eiffel Tower helped lend to the atmosphere of a Paris evening. This was a memorable evening for the reigning King and Queen, Judy Koch and Gerald Parrish. The members of the royal court were: Jean Raffer and Greg Blackman, Kathy Moon and Andy Jennings, Kim Gregory and Ralph Moden, and Phebe Vidler and Larry Cook. The Post-Prom party climaxed the evening in a coffee house setting.

FUN SPORTS NIGHT

The Fun Sports Night proved to be a very entertaining evening. The senior girls competed against the women's faculty in volleyball, and the senior boys played the men's faculty in basketball. The faculty won unprecedented victories in all categories: teamwork, effort, and time.

JUNIOR PLAY

The Junior Play presented by the class of '66 on March 18th, 19th, and 20th, 1965, was Leonard Wibberley's *Take Me To Your President*. This comedy had the largest cast of any Junior Play formerly enacted at East Aurora High School — over fifty students.

The play was a satire on world politics. Representatives from the major powers—Russia, Britain, and the U.S.—were attempting to find an answer to world peace, but none of them were willing to listen to any of the others. It was a simple Englishman who, through faith in man's ability to work together toward a common goal, influenced the nations to accept his obvious solution for world peace — destruction of all atom bombs.

VARIETY SHOW

The "Cape Carnival Caper", this year's Variety Show, written by Rosemary Swan and directed by Miss Harp, was a great success. The set construction was headed by Mr. Revett. Every act proved to be very entertaining, as the performers auditioned for the select group of entertainers being sent to the moon.

In a carnival atmosphere with gay colors, cafes, and a carousel, the audience was entertained by many original and varied acts. The last act came all too soon and the cast sang "There's No Business Like Show Business," which ended another successful presentation of the annual Variety Show.

SADIE HAWKINS

The Sadie Hawkins Dance, sponsored by the class of 1967 on November 20, 1965, had a great turnout. The gaily decorated gym housed quite a crowd that night. The line for the services of Marryin' Sam seemed endless. The high point of the evening was the crowning of Lil' Abner, Bruce Marquart, and Daisy Mae, Sally Cotton.

SENIOR NATIONAL HONOR SOCIETY

It has always been an honor to qualify for membership in the Senior National Honor Society. It signifies that a student has maintained an 88% or better average throughout high school. This year, the students involved decided to act as more than just an honorary society. They also wanted to act as a club. They held meetings at which they staged discussions. At one such meeting Mr. Birdsall gave a talk on the Berkley riots and showed slides. At the Senior National Honor Society Annual Tea during Christmas, former members were invited and there was an open discussion on some of the problems faced by college freshmen. The biggest event was the induction of new members in the spring. This year marked a difference in the Honor Society as it functioned for the first time as a real club, providing a more enriching program for its members.

VENTURE

The *Venture*, East Aurora High School's annual literary magazine, is composed, illustrated, and edited entirely by students. Through these drives to aid the unfortunate, the Junior Red Cross teaches a valuable lesson in compassion for others.

The purpose of a student newspaper is to inform, arouse and guide a student body's intellect. The LATEST has been doing this for the past three years. This organ of student news has challenged and awakened the minds of many members of the student body. The students have not always agreed with it, but have read it and thought over the points brought forth. If this is meeting the purpose of a student newspaper, then the LATEST is accomplishing it.

JR. LATEST

The Junior Latest staff produced for the junior high school a paper called the *Junior*. Its editor was Peter Hudson and co-editor was Cheryl Aungst. The paper was conceived by Mr. Ables, who thought the junior high school should have a paper of its own. Mr. Garcia formed the paper and had an enthusiastic staff who produced a paper with minimum expense and maximum quality.

The students learned journalism by doing the layout and design themselves. All copy was done according to the *Style Book of Journalism*.

The purpose of this club is to stimulate the thinking of students on local, national, and international problems. Often guest speakers are invited to talk on various subjects. Listening to these speeches and discussing the topics affords a chance for the students to understand the situation and formulate their own ideas.

GARCIANS

The Garcians, one of East Aurora High School's two Yorker groups, is an active club headed by Miss Glass and Miss McNaboe. They are now in the process of completing a fifth-grade local-history textbook, and have hosted this year's Yorker Jamboree and Convention. As a reward for all their hard work, the club will take a three-day trip to a major city sometime this spring.

In the Jr. High, the Jr. Roycrofters Club, named after Elbert Hubbard's Roycroft Inn and craft shop, is a member of the state-wide historical society, the Yorkers. The Jr. Roycrofters have been very busy this year earning money for their annual historical trip and learning about the history of East Aurora.

KEY CLUB

The Key Club is a high school organization for boys affiliated with the East Aurora Kiwanis Club. Their chief objective is service to the school and the community.

One of the factors that makes the curriculum offered in a school more interesting and enjoyable, is the addition of teaching aids, such as educational movies. In order to have them, there must be people to order, receive schedules, and show and return the film. Projectors must be set up and films shown by experienced people; the members of the projection club volunteer much of their time and energy to this job.

SENIOR HIGH STUDENT COUNCIL

The year 1965-66 was a rewarding one for the Senior High Student Council. Homecoming Weekend, sponsored by the Senior High Student Council was highly successful. The attendance at the Homecoming dance was the largest since its innovation in 1963. The practice of reading the minutes over the P.A. system after each meeting was instituted to inform the entire student body of the Student Council's functions. Under the direction of John Arlotta, Treasurer, a program was created which enabled the Student Council to more wisely divide Student Council funds among our high school's many clubs and organizations. Another new program begun by the council was the record library for dances. The Student Council sponsored the Quiz Bowl and it also donated over half of the money for the new scoreboard in the West Gym.

JUNIOR HIGH STUDENT COUNCIL

The year 1965-66 was a very successful one for the Junior High Student Council. It instituted the new Junior High Paper by providing funds for its publication. This endeavor was very worthwhile as the paper was greeted with a great deal of enthusiasm by Junior High students. The Jr. High Student Council continued the financial support of a child in the Philippines which was begun in the early 1960's. The Jr. High Student Council also sponsored many dances throughout the year, among them the Turkey A-Go-Go and the Thingamajig.

AWAKENING

The wind that blows both soft and low
Then sweeps into the lands unknown
Stir in me those deep, sweet things
So strange they do not seem my own.

The stars that shine so bright and soft
They stir the beauty buried deep
Are calling up from unknown depths
Things which long have lain asleep.

For this I have no easy words
To tell of longings born of rain
And wind and stars, at once so vague
And yet so strong they stab with pain.

SR. WIND ENSEMBLE

The Senior Wind Ensemble is an innovation in the music department this year. The first-chair players, who are members of this group, practice once a week and plan to compete at Festival.

Row One: Val Viger, Dale Toner, Nancy Gerken, Susan Finch. Row Two: Jeff Ebsary, Doug Varney, John Laing, Joy Taylor, Jeff Arnst, Barbara Bancroft, Coval Hale.

JUNIOR STRING ENSEMBLE

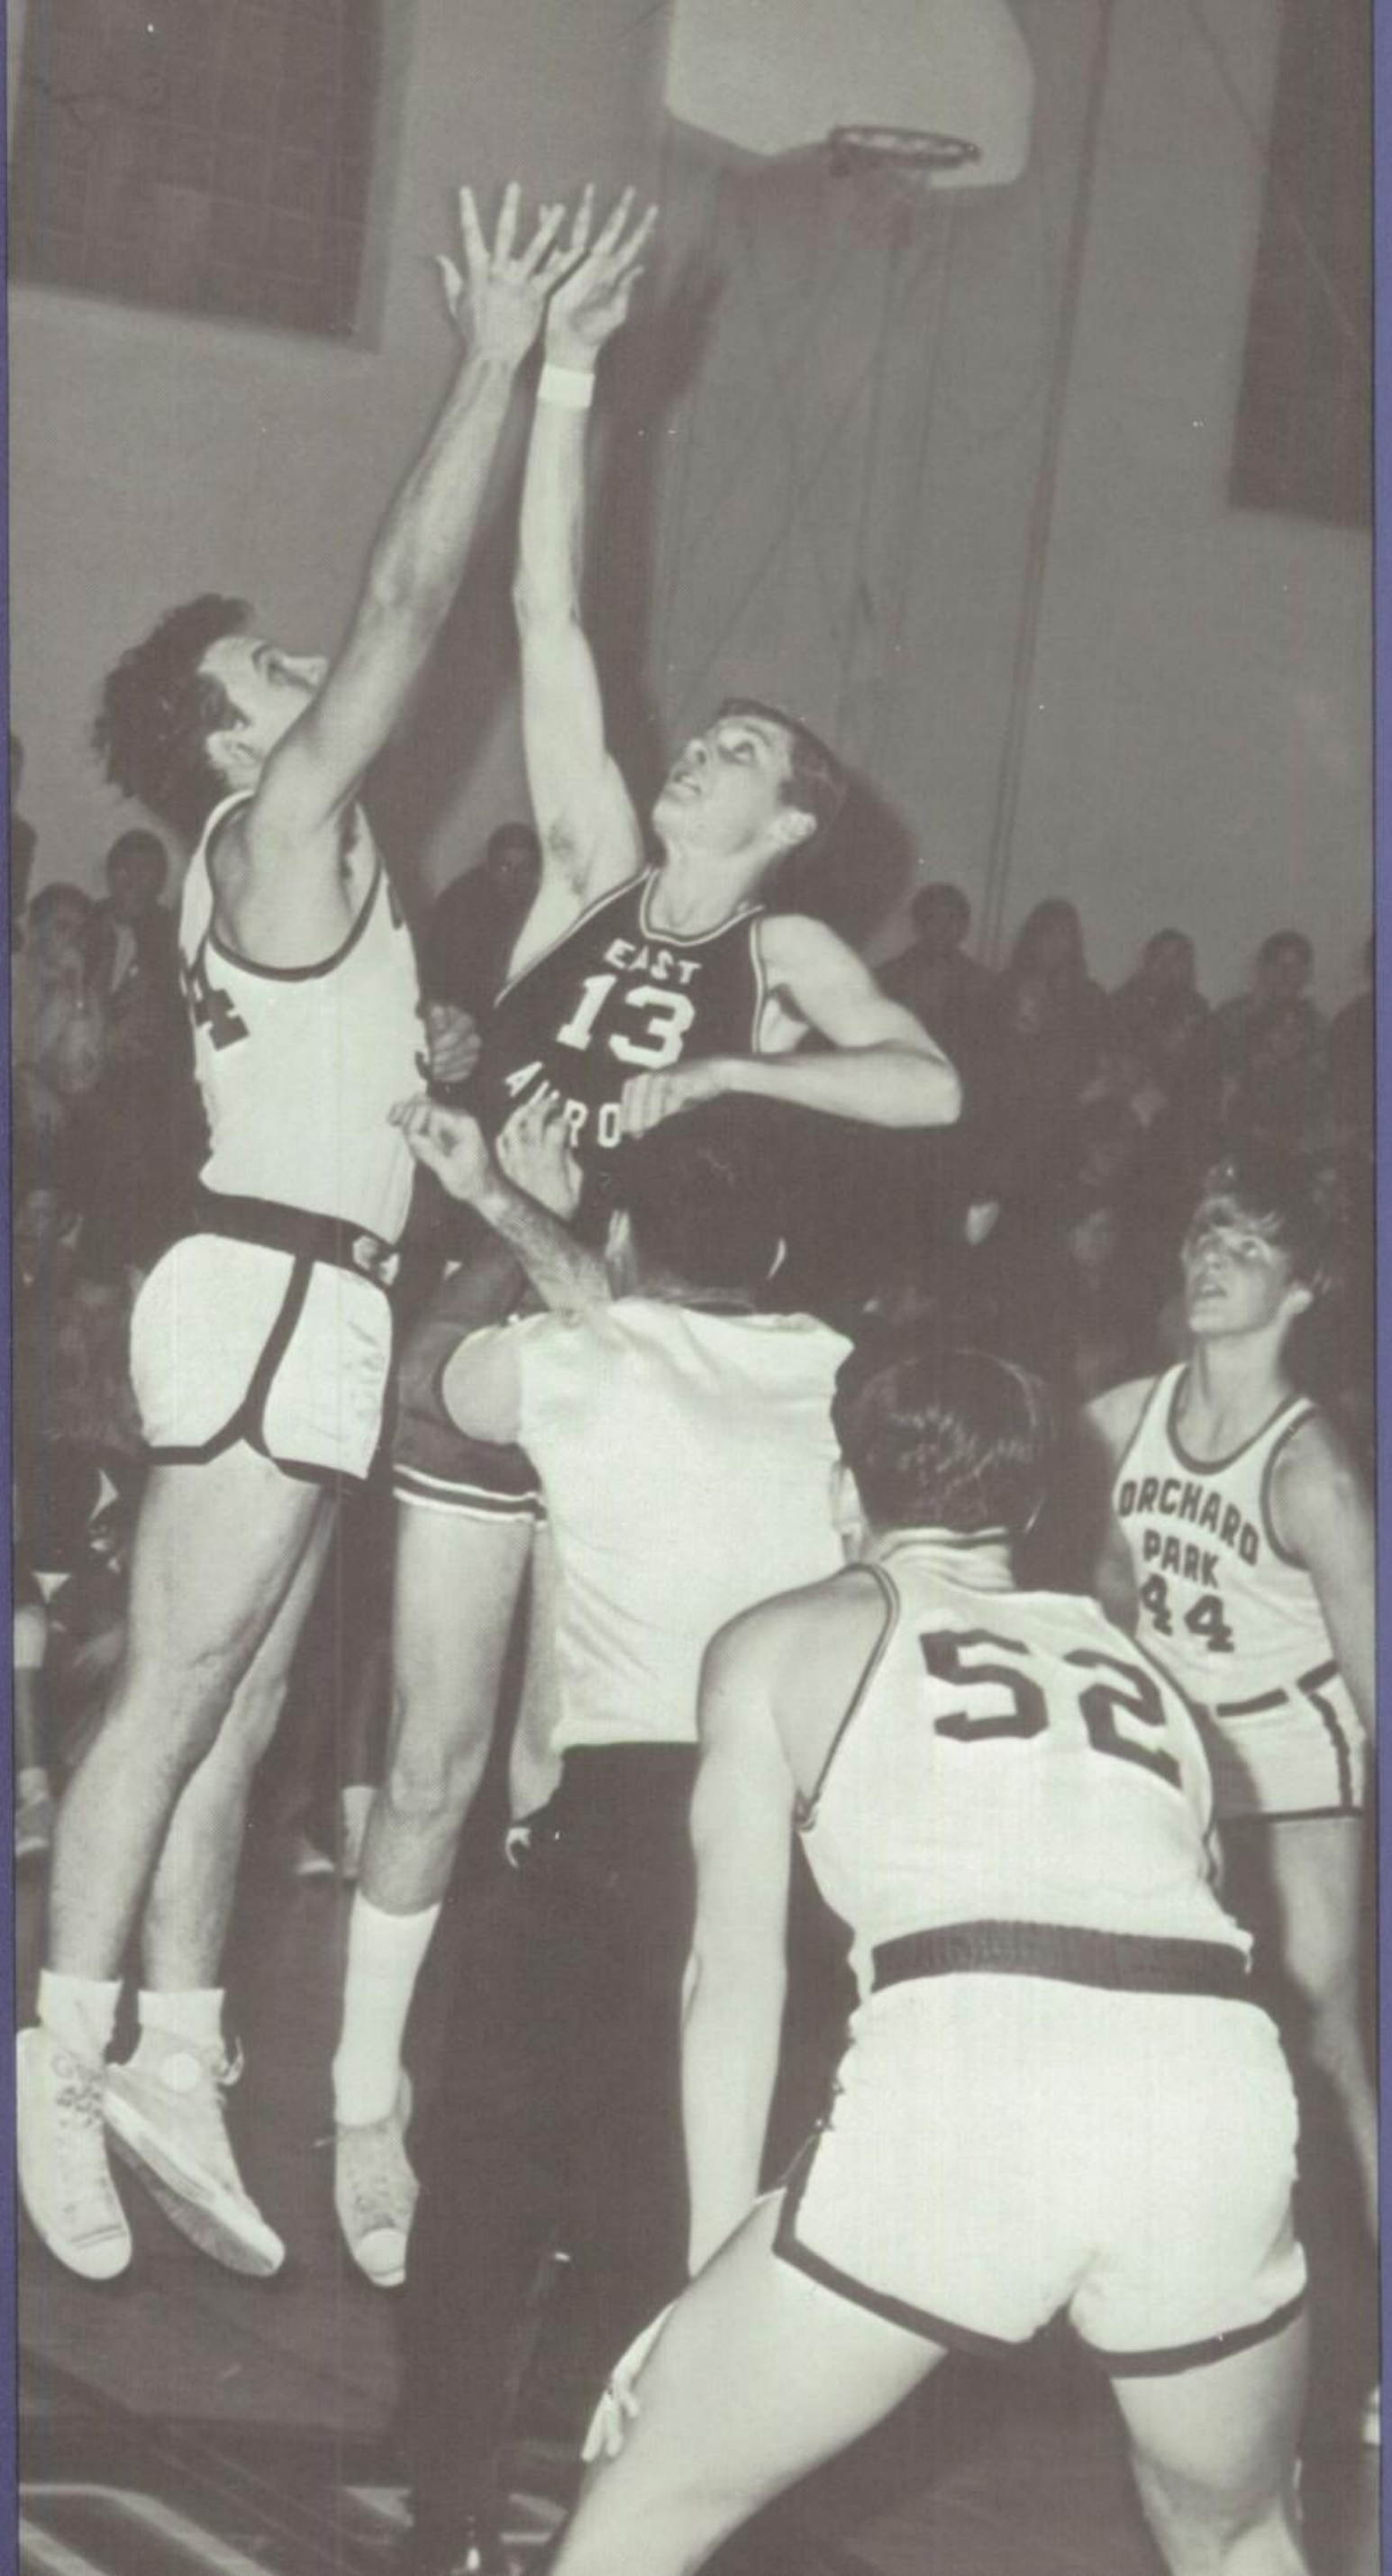

The members of this Jr. High Organization learn the fundamentals of playing together in a small group. Playing in the ensemble teaches the student to be more dependent on himself as a musician and helps him learn the importance of listening, blend, and balance.

SENIOR STRING ENSEMBLE

The Senior String Ensemble offers the student musician experience in playing a greater variety of music and in playing in smaller groups. This year the Ensemble presented a Chamber Music Concert in the spring.

Row One: Steve Bardey, Sylvia Vogel. Row Two: Don Culp, Mr. Sollinger, Andy Jennings. Row Three: Mary Austin, Diane Webb, Beth Barten, Linda Bean. Row Four: Kathy Lippert, Cindy Kuntz, Jennifer Laing.

SPORTS

The face distraught with pain — elated in triumph — or wet with the tears of defeat . . . Each of the following sports and its participants have known or will know the emotions and the lessons involved.

VARSITY AND JR. VARSITY CHEERLEADERS

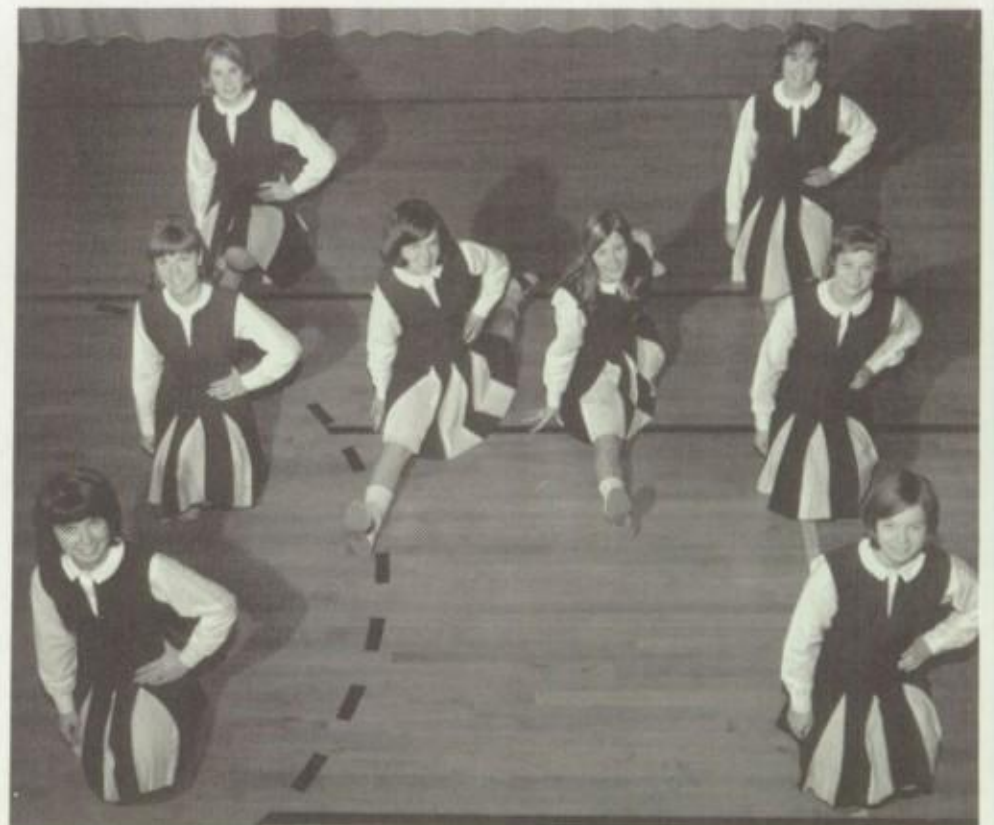

The main purpose of a cheerleader is to instill school spirit and support the teams.

This year a new devil head was made to replace the ancient one and an advance made in having pep assemblies and rallies.

Help your cheerleaders by supporting them and your teams at all the games, meets and matches.

Remember: the cheerleaders are working for you and your school.

Row One: Terry Riggan—Treas., Kathy Moon—Vice-Pres., Sandi Ricketson—Pres., Ann Donath—Sec. Row Two: Mindy Barnhart, Kathy Ahlgren, Judy Koch, Merry Sue Ahlgren. Row Three: Joyce T. Rulite, Lois Hensel, Donna Arndt, Praphawan Eamsobhana, Sue Arnholt.

GIRL'S VARSITY A

The Girls' Varsity A got off to a slow start this year. As a community project, Christmas baskets were collected and distributed. Dances and the annual Fun Night have been planned as future money-making projects. The club hopes to be able to pay for new blazers and pins which have been ordered. This year's officers are: Pres.—Sandy Ricketson, Vice-Pres.—Kathy Moon, Sec.—Ann Donath, and Treas.—Terry Riggan.

BOY'S VARSITY A

The Boys' Varsity A has become a rather exclusive group this year allowing only those boys who have earned their letter, to join. The Varsity A has not been very active so far, but plans are being made for the Annual Fun night.

Row One: Monte Constantine, Chris Wilson, Roger Becker, Bob Morris, Ken Ames, Kevin Korst, John Heinz. Row Two: Eddy Ammons, Chuck Connor, Greg Blackman, Doug Bartlett, Pete Pfaff, Peter Koch, Larry Morgan. Row Three: Dave Slosson, Ed Vrana, Dave Vogt, Lew Riggan, Gary Rosenberg, Eugene Fox, Larry Davis, Bob Tyler. Row Seven: Joe Kopczynski, Gary Arndt, Tim Moore, Don Aubrecht, Tim Meyer, Bill Howlet, Maynard Snyder, John Kramer, Preston Smith.

VARSITY FOOTBALL

Despite the efforts made by the team and Coaches Jahn and Drescher, this year's Varsity Football Team had an unsuccessful season. The team stood in fourth place in Division II with a 2-6 record. Inexperience was the big factor, both quarterbacks being juniors and only 5 lettermen returning from last year's team. Co-captain Peter Wood was the only Blue Devil All-Star.

BASKETBALL

Although only one starter from last year's AA Championship Team has returned to this year's squad, they have shown great promise. The Blue Devils seem to be improving with every game. Solid performances by George Stoll, John Kramer, Dennis Sawicki, John Arlotta, and Paul Snyder have helped the team to many decisive victories. A mid-season record of 5 wins and 2 losses puts the Blue Devils in second position in Division II. Coach Bowen anticipates a successful season.

Row Two: Ralph Moden, George Stoll, Maynard Snyder, Dennis Sawicki, Charlie Donnor.

Row One: Bruce Bardey, Judd Mosser, Steve Smith, Mr. Palmer, Mike Joyce, Mike Gleed—Manager. Row Two: Mark Lucca, Randy Fox, Roy Ginnick, Tom Hitchings, Steve Hatch, Ralph Kingston, Dave Rengert, Andy Cline. Row Six: Bruce Cobb, Gary Bove, Chuck Riegraf, Bruce Krysiak, Pete Doran, Dennis Sawicki, Paul Nicely, Bill Cudmore, Tim Gerstung, Fred Marconi, Roger Bell.

J.V. Football this year had its problems getting organized. An extremely large number of boys turned out for the squad. Due to lack of experience and the large number of boys, teamwork was lacking. However, these J.V. players will be the backbone of Varsity victories to come. This year's record was 2 wins, 5 losses, and one tie.

JV BASKETBALL

Row One: Andy Cline, Randy Zittel, Reed London, Doug Bartlett, Ray Linch, Larry Clark. Row Two: Coach Austin, John Gregory, Bob Long, Terry Amsler, Bruce Krysiak, Bruce Meade, Peter Stevens.

The J.V. basketball players split the season with 7 wins and 7 losses. A balance between teamwork and enthusiasm were the weighing factors in the team's success. Future varsity victories were foreshadowed by their efforts.

Row One: Paul Nicely, Skip Bean. Row Two: Don Aubrecht, Doug Francis, John Heinz, Jack Richard, Larry Davis.

TENNIS

The team was a fairly strong one, but lost due to windy courts, frayed nets, and that all important factor of the wrong type of tennis balls. With these "faults" corrected the team would have been psychologically prepared, and would have done a much better job than it did. Lettermen — *Don Aubrecht, Steve Dodson, *John Heinz, *Larry Davis, Greg Dieffenbach, Peter Burhyte, won 3; *Larry Bean, lost 5; *Kevin Korst, Dale Billington.

*returning lettermen

Varsity bowlers closed the season with a 2-1 win at Clarence that also gave them the E.C.I.C. Division II Championship. Clarence lost one more game than E.A. The Blue Devils had 31 wins and 5 losses. Captain Ed Vrana closed a 4 letter career, having earned a letter as a freshman. John Fake's average was about 180 all year. Paul Warner set a new school record of a two game total of 448. Doug Eck, Don Latt, and Dave Vogt were the other regulars. Peter Gleed and John Magagna also saw some action. It was the second straight year that E.A. either won or shared the championship.

CROSS COUNTRY

18 candidates went out for cross country in the 1965 season, half again as many as were out in 1964. E.A. moved from Division III to Division II this season. Partly through increased competition and partly from health problems, the team was not able to maintain its good record of last season.

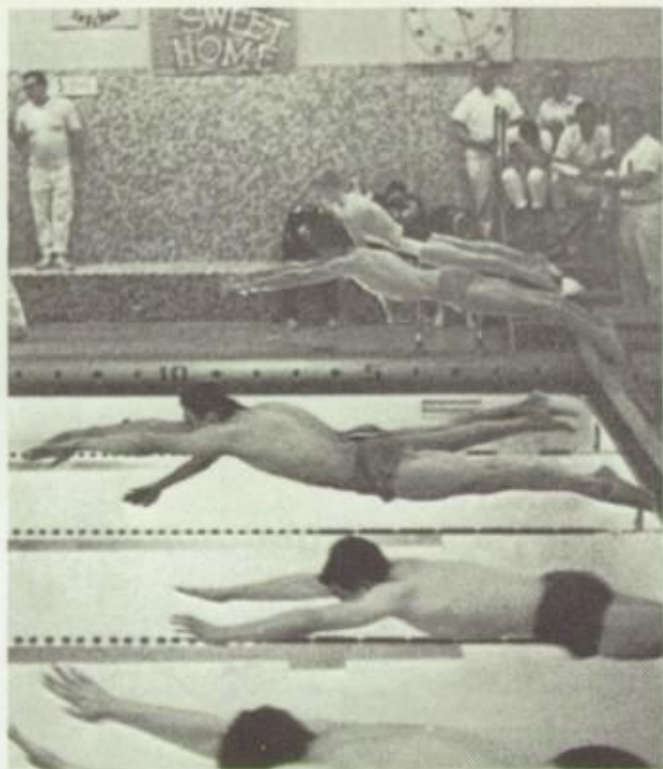

On October 1, 1965, Bruce Marquart, running on an altered course, broke the existing record with a time of 11:55.

In the Sectionals EA placed 4th of many schools.

Last year's defeat has been this year's key note to success for the Bombers.

The Bombers have, however, continued in their winning ways. By defeating Cleveland Hill, E.A.'s closest rival, the team has clinched the Division title. New devotion to a shock treatment has developed the overall strength of the team. It can truly be said that this year's Bombers team is one of Coach Fisher's strongest. At the present time the Bombers are concentrating all efforts toward the sectionals.

WRESTLING

Only in its third year, the wrestling team made a strong bid for the Division II title. Although the team has lost several experienced seniors, the underclassmen on this year's squad speak well for future successes. Still, there is a need to have more boys come out and stay.

Consistent winners for the Grapplers this year were co-captains Pete Pfaff and Greg Blackman, Ken Ames, and Peter Wood.

TRACK

Last year's track team, coached by Mr. Palmer, completed their first losing season in many years. They were hurt severely by the loss of many seniors, but there were still some outstanding performers. Bill Bender, a great 440 runner, was unbeaten throughout the season: Jim Schwartz and Charlie DiGangi were dependable point-gainers in the sprints. Outstanding also were George Pfister and Joe Lewis who won the pole vault every meet. Half-miler John Kramer was discovered to be an adept high-jumper too.

Next year Mr. Palmer expects a better season, although half of the lettermen will have graduated. Events to watch are the two-mile with Bruce Marquart, the mile with Jim Cuffney, and the hurdle events with Ed Ammons.

Along with the usual excellent coaching, experience will aid the Blue Devils this year. Returning lettermen are Ed Ammons, Ray Becker, Frank Albrecht, John Kramer, Jim Cuffney, Bruce Marquart, Warren Purdy, Scott Smith, and Monte Constantine.

Row One: Mitch Lestico, John Fake. Row Two: Mike Lestico, Bill Howley, Kirk Herniman, Pat McManus. Row Three: Doug Bartlett, Steve Nettelnd, Steve Ebsary, Dave Heussler.

GOLF

Golf became a fall sport for the first time this year. The team did quite well with a 5 win and 3 loss record. The squad was composed mainly of sophomores and juniors. However, a strong and experienced team will surely lead E.A. to victories this spring.

BASEBALL

Row One: Paul Hagen—Manager, Lew Riggan, Bruce Wright, Bill Kulp, Bob Morris. Row Two: Art Petch, Tim Meyer, Ralph Moden, Jack Wheeler, Bill Wheeler, Dave Vogt.

Scores do not show the action in a baseball game. The team's record of four wins and nine losses is not a very impressive one, but the difference of one or two runs often meant the game. The team played well, it was just that the ball seemed to bounce in the wrong direction! The loss of six of last year's lettermen will greatly effect this year's team. However, hopes are high for a better season.

GIRLS' SPORTS

Throughout this year, much excitement and enthusiasm has been shown by the junior and senior high girls in the field of sports. In the fall they participated in soccer, speedball, and recreational swimming. Then, during the winter, tumbling, gymnastics, volleyball, bowling, skiing, basketball, and badminton were made available to them. In the spring, the girls played softball, and golf and again had recreational swimming. Miss Wassman organized and supported the girls' sports for the year 1965-66.

UNDERCLASSMEN

Year by year the underclassmen follow the same pattern and learn the same lessons the seniors have learned. They are preparing to eventually set their own pattern and begin the next phase of learning. "Experience shows that success is due less to ability than to zeal. The winner is he who gives himself to his work, body and soul." — Buxton

YEARBOOK STAFF

The select group that works on the *Auroran* deserve special recognition for their hard work throughout the year. The Editor-in-Chief has the most difficult job of all. He plans the overall dummy book, supervises layouts and their continuity, sees that all copy is written and edited, and plans the production schedule. The Managing Editor supervises the day-to-day work of the staff and gives detailed specifications of job responsibilities for all assistant editors. Art and Layout Editor and staff are responsible for all art work in the yearbook and layout and design of all the pages in the book. Copy Editor and staff write all articles for the *Auroran*. The typists have the mammoth job of typing all copy. Photography Editor and staff take all pictures for the book. The yearbook Treasurer collects all yearbook money and directs its proper distribution. The Business and Subscription Manager and assistants promote the sale of yearbooks in and out of school, conduct the subscription campaign, and supervise the distribution of the yearbooks.

This gives you an idea of what a busy organization the yearbook staff is who provide the East Aurora High School students with a journal of their high school memories.

IN MEMORY OF

DAWN MARIE COLKITT

Although no longer a member of the class of 1968, she will always be regarded as one of us and never be forgotten. We feel deep with regret, but proudly recall the memories and joys which she brought to us. Her warmth, understanding, and fun-loving nature were what made her stand out from all the rest.
